

Sinclair Broadcast Group's recent actions have illustrated the dangers of media over-consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair's plans to air anti-Kerry propaganda as so called "news", thereby side-stepping the need to give "equal" time, show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
